

3-Year License with Stipulations District-Sponsored Pathway

Do you need a license for a NEW subject area and/or grade band?

You may be eligible to earn your NEW license through CESA 9!

Our Excellence in Teaching Program provides a pathway to complete your DPI-required portfolio. We work collaboratively with you and your district for your professional growth.

Cost: \$2,400

Our **3-year plan** of support includes:

- An initial meeting to develop your personalized plan for growth aligned to your new license.
- Beginning and mid-year check-ins in ALL 3 years of your portfolio development.
- An end-of-year face-to-face collaborative work session EACH year to complete your yearly portfolio requirements.
- A final portfolio review by qualified educators from our CESA 9 region.
- Coaching and support by CESA 9 staff throughout the process.
